Health and Social Care Information Centre (HSCIC): www.ic.nhs.uk

The Information Centre for health and social care (The IC) is a new Special Health Authority set up on 1 April 2005 to take over most DH statistical collection and dissemination and some functions of the former NHS Information Authority. This includes information on Personal Social Services Expenditure.

Hospital Episode Statistics (HES): www.hesonline.nhs.uk

This is the national statistical data warehouse for England of the care provided by NHS hospitals and for NHS hospital patients treated elsewhere. HES is the data source for a wide range of healthcare analysis for the NHS, Government and many other organisations and individuals. The HES database is a record level database of hospital admissions and is currently populated by taking an annual snapshot of a sub-set of the data submitted by NHS Trusts to the NHS-Wide Clearing Service (NWCS). Quarterly information is also collected. A separate database table is held for each financial year containing approximately 11 million admitted patient records from all NHS Trusts in England.
